EXCLUSIVE!

It's *CBB*'s Lacey!

If the rumours are true, expect Banghard in *CBB*!

➔ **LAST YEAR**, those clever *Celebrity Big Brother* chaps kept the nation's men tuning in to Channel 5 on nights other than Thursdays by recruiting *Nuts* babes Rhian Sugden and Danica Thrall. This year, it's rumoured they've made another excellent call, getting Lacey to pack a suitcase and get herself into the house. On the flip side, *X Factor* berk Rylan Clark's also said to be in – so two steps forward...

WHEN BIG BROTHER GOES NUTS!

Nuts faves Rhian, Danica, Lucy Pinder and Sophie Reade have all graced the *Big Brother* house.

Celebrities' New Year's resolutions!

What famous folk are promising in 2013!

Joan Collins

"I'm not making any New Year's resolutions. I'm not taking anything up, either. Just to be happy. That's all."

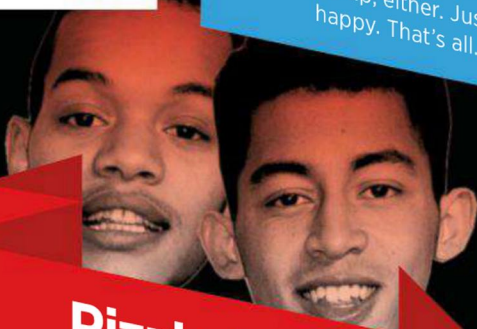

David Harewood

"Less masturbation. If I possibly can."

Jack Whitehall

"I'm going to stop hiding my copies of *Nuts* inside a grown-up newspaper."

Rizzle Kicks

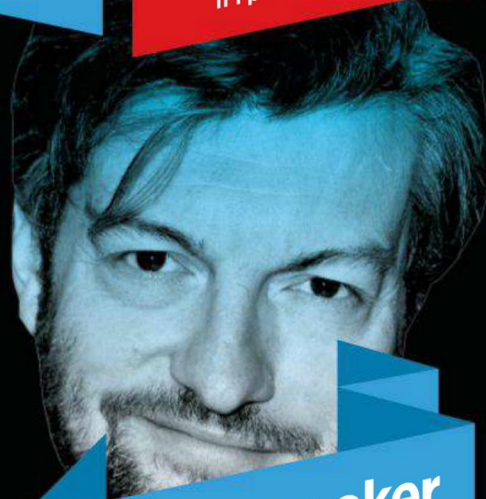

Jordan: To get *Nuts* to hook me up with some ladies!

Harvey: To continue to learn French.

Jordan: Last year, we said we'd learn a foreign language and we did f**king nothing.

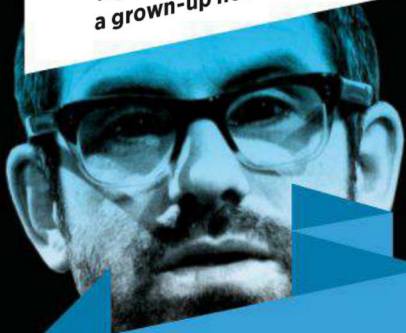

Harvey: I started learning a language but then started slacking, so I need to pick that up.

Jordan: I want to learn Brazilian/Portuguese, but that's not really working out for me.

Charlie Brooker

"Sort out my work/life balance. I've been working too much. That's why I've been quiet on Twitter. I've rationed Twitter. It was bad for my work output and my concentration. It was sending me mental."

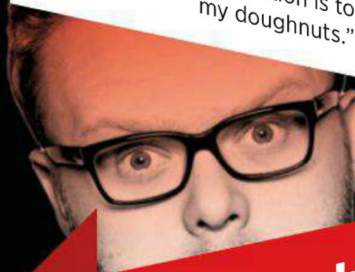

Angelos Epithemiou

- 1 Give up smoking.
- 2 Stop lying.
- 3 Start smoking again.
- 4 Change everything about myself.
- 5 Stop kidding myself.
- 6 Change everything about myself back to how it was.
- 7 Go out a bit more.
- 8 Learn a language.
- 9 Stop speaking English.
- 10 Play international rugby for Greece.

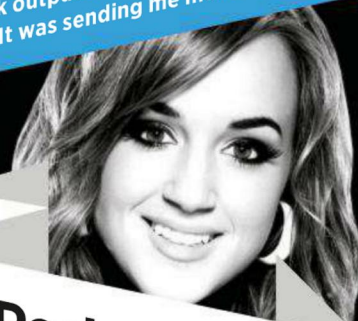

Stephen Mangan

"My New Year's resolution is to stop buttering my doughnuts."

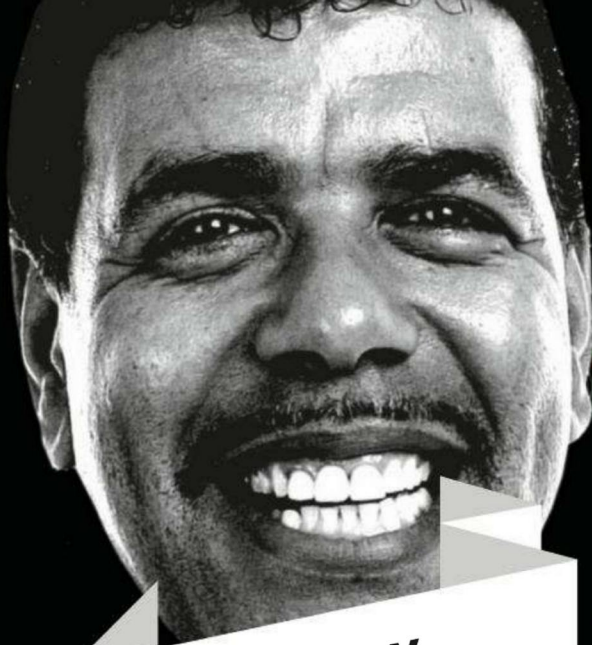

Huw Stephens

"I'm going to give up takeaways."

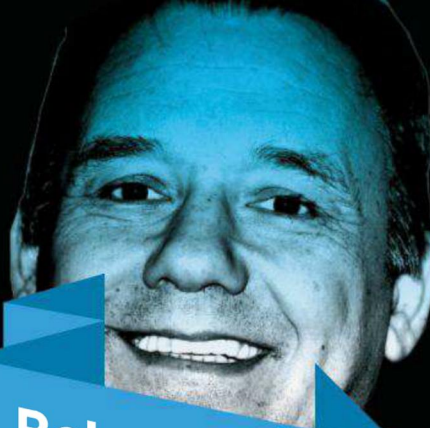

Rosie Jones

"This year, I want to learn to ski and speak Spanish! This is partly so I can pretend to be really clever - but also, so I can go on holiday and look like I know what I'm doing!"

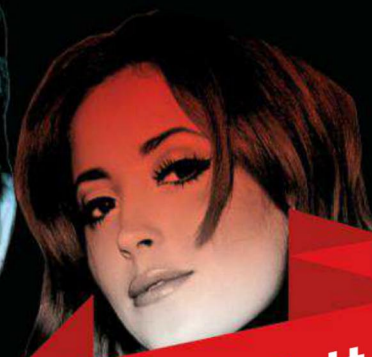

Kammy

"Well, there's no way I'm giving up drinking, and I'm not giving up gambling. So I suppose I'd better stop getting so angry in traffic jams. That's why I spend so much time on trains, I think. I don't mind spending time on trains and I don't mind spending time in airports. But if you're in the same car as me and it takes two hours or so to cover six miles, it does my brain in, it really does."

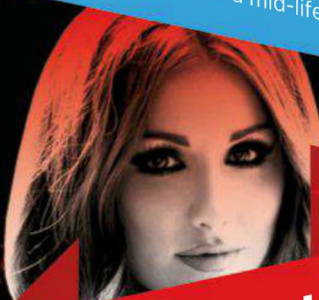

Bob Mortimer

"I'm going to get a six-pack in six weeks. I'll bring out a fitness DVD if I succeed. I think it's a mid-life thing!"

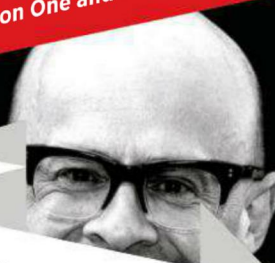

Lucy Collett

"I want to fulfil my ambition of having every games console ever made. I've got all the current ones, a Sega Mega Drive, a PlayStation One and everything!"

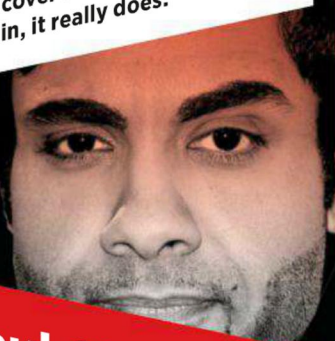

Lucy Pinder

"I'm going to wear matching underwear every single day. Not only is this hot and sexy but - as my nan says - it's important to have matching underwear in case you end up in A&E!"

Harry Hill

"I think I'm going to renew my subscription to *Nuts*. I let it lapse but I've noticed recently that there's been something of a renaissance."

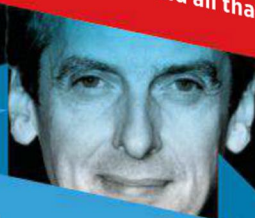

Paul Chowdhry

"My New Year's resolution is the same as it is every year. It's to not have a resolution once a year. If I want to make a change in my life, I'll make that change there and then. Not once a year! It's called a resolution for a reason - resolve and resolve now! Before it's too late. Other than that, I'll try to be happy, positive and all that crap."

Lee Mack

"I'm going to start smoking, I think. Start on the patches, build up to smoking and then, if I'm really good, get to heroin in November."

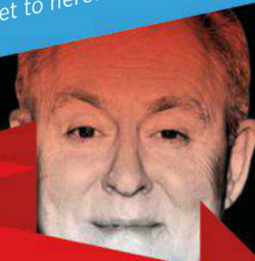

Peter Capaldi

"I think I'll have my prostate examined again. I make that resolution every year but then I chicken out."

Richard Hammond

"That's easy. To do more of the things I like and less of the things I don't!"

John Lithgow

"To try to take more time off. I'm working too hard. The problem is I love my work too much."

Top Gun drone!

Human-free fighter jets hit US aircraft carriers

THIS MACHINE of death is the US military's latest toy, the X-47B Unmanned Combat Air System. And if you're a graduate of the Top Gun fighter-pilot school, look away now as this is what the top brass want to replace

you with. Right now, they're taxiing it around using a wrist-based controller and figuring out if it'll launch via the USS Truman's catapult system, but the aim is to replace pilots. Eventually, a flesh-covered cyborg comes back in time and...

A quick word with Richard Hammond!

The Hamster on sharks, *Strictly* and his new TV show!

➔ Hi Richard! You've got a new show – *Richard Hammond's Secret Service*. Um, don't they have height restrictions to join the Secret Service?

It would be an advantage because I'm small, so I could hide easily. But I'm in charge so if there were any height restrictions, I would have got rid of them by now.

The show involves solving people's problems on hidden camera. How does it work?

The service operates a bit like *The A-Team* – if you can find us, we can solve your problem. One girl's parents are always on at her to find a certain class of chap. So with our help we introduced her parents to her new chap and her prospective in-laws, who turn out to be king and queen of a fictitious country. Another guy's friend volunteers him because he's gullible so we set him up with a job in a lab where they're conducting experiments in human teleportation. We also pretend to find someone who has been cryogenically frozen for 50 years and invite some old people to debrief him on what's gone on in the meantime. They were great.

Stelling had shrunk in the wash

Maybe James May was frozen for 50 years. That would explain how out of date he is. That's a bloody good theory. It's entirely possible.

If you placed a hidden camera in Jeremy Clarkson's house, what would you find?

With all of us it would be pretty much what you see on telly. So sadly, there would be a big, tall man wandering about, badly dressed, shouting. You've seen *Top Gear*. That's what it would be.

How could your Secret Service be used to help you?

I'm quite disorganised. So maybe I'd turn up to organise a library only, through some error of my own, I'd pull the wrong book and all the books

would cascade out and I'd have to hurriedly put them all back before anyone notices. Jeremy would have to be taught that shouting doesn't solve everything. The Secret Service could put him in charge of mooring up an oil tanker and his radio wouldn't work. No one could hear all his screaming and shouting so he'd have to find some other method of communicating.

If you got the role of James Bond, how would you play it?

All this steely-eyed determination and flexibility is one thing. My James Bond would be far less fearsome and far more homely. He'd be a lot more chatty and rely less on remembering codes, being good at fighting, being able to

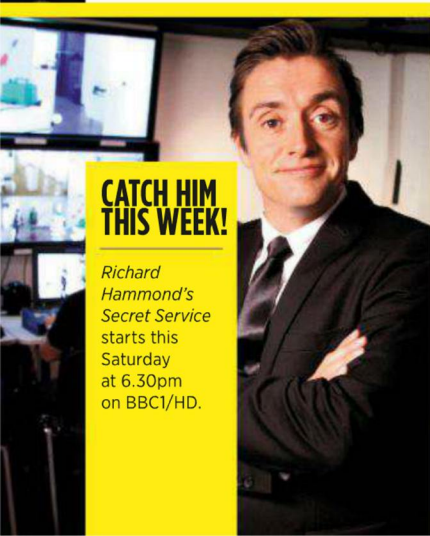

out-run or out-drive anyone, more having a nice sit down and thinking about it.

If Clarkson was a Bond baddie, how would you kill him?

I'd eject him into space like in *Moonraker*. He'd think, "This is fantastic!" right up to the moment he realised. Then again, every now and then, when his corpse orbited the Earth, the moon would be entirely obscured.

What if Clarkson and May were your allies. Would that help?

Not really. If Jeremy was M, he'd suggest I just run at the enemies, shouting. If James was Q, by the time he'd explained how anything works the whole issue would have blown over.

CATCH HIM THIS WEEK!

Richard Hammond's *Secret Service* starts this Saturday at 6.30pm on BBC1/HD.

Kammy's Champions League predictions!

How our clubs will do in the knockouts

➔ **THE DRAW** for the knockout stages of this season's Champions League turned up some mouthwatering ties, especially for the British clubs left in it. We asked our footy chap Kammy how he thinks they'll fare in February/March.

ARSENAL VS BAYERN

"At first glance, this is a difficult one for Arsenal, but Bayern are having problems of their own this season. The likes of Klose are getting on a bit. I'm going with Arsenal with a reasonable amount of certainty."

TO WIN: ARSENAL

CELTIC VS JUVENTUS

"What a great draw for Celtic! Juventus went a whole domestic league season unbeaten and have a top midfield headed by Andrea Pirlo. Celtic can win at home but Juve should overturn the deficit."

TO WIN: JUVENTUS

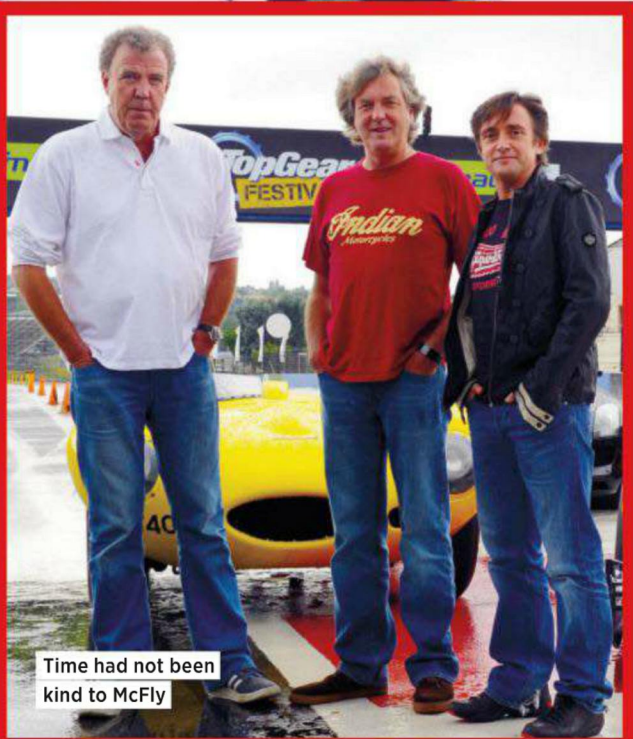

REAL MADRID VS MAN UNITED

"Oh, what a game. This is the tie of the round - Cristiano Ronaldo returning to his old stomping ground and Sir Alex coming up against Mourinho, his old nemesis. It's got everything. I have to go with United."

TO WIN: MAN UNITED

Fergie enforced another surprise sobriety test

Time had not been kind to McFly

"Jeremy has to be taught that shouting doesn't solve everything!"

Richard Hammond

Now that *Total Wipeout* has finished, will you keep the course in your garden?

Wouldn't that be brilliant? I'm not sure what our neighbours would think, but our barbecues would be amazing with the water going under the spinner and everything. Sadly, I don't think they'll let me.

Thanks, Richard. Finally, what can you tell us about the *Top Gear* Christmas special?

The Christmas special that's going out in February? It's really very, very good.

Do you all survive?

Yes, we all survive. It was one of our toughest trips, in many ways. A proper journey. There was some epic scenery and a lot of miles covered.

Bedroom Babe 2012 finalists!

Six girls, one prize, lots of men with internet connections. Let's make democracy work!

WHEN THE strangely alluring Tory MP Nadine Dorries went on *I'm A Celebrity...*, her justification

was that more people voted on that particular TV show than in the general election.

Although this was complete and utter piffle (silly Nadine), she did

highlight the joy of a good vote. Like this one here.

We've picked the cream of 2012's Bedroom Babe crop, and history dictates that we must find a winner, for a nice shoot and general high-fives and hugs.

Dry January pint of beer disguise kit!

Make your booze-free beverage look
like a yummy pint with our camouflage!

AS GLORIOUS and bacchanalian as Christmas and New Year are, most of us return to work and life with a thud. A thud that often includes the now-traditional January detox and booze ban. But *Nuts* has your back with this cunning pint disguise kit. Simply cut out and surround your big Coke or orange juice and lemonade and – ta-da! – it looks like a delicious pint!

**CUT OUT
YOUR PINT
DISGUISE
KIT HERE!**

How to disguise your pint!

Fool everyone in the pub into thinking you're not on the ladies' drinks!

STEP 1

Grab the latest copy of *Nuts* magazine. Rush to page 8. Ask the landlord if you can borrow a pair of sharp scissors.

STEP 2

Carefully cut out the fake pint. Don't go over the lines! (You might need a grown-up to help you here.)

STEP 3

Wrap the fake pint around the fruit-based drink. Hey presto! It no longer looks like you're on a tedious diet!

191mph Maserati!

Ferrari-engined Quattroporte is the fastest ever Maserati!

- It's easy to ignore the subtle beauty – and the practicality – of Maserati's four-door supercar, the Quattroporte, but plant the throttle pedal and this is all business.
- As Maserati is owned by Ferrari, it uses Ferrari engines. Not so much a suffering as a godsend, especially as this 2013 version boasts a new 3,798cc V8 made at Ferrari's Maranello HQ, which breathes through a pair of turbos to give 523bhp.
- At over five metres long, the 2013 Quattroporte is longer than the old model, with more legroom and boot space, yet is 100kg lighter, thanks to extra aluminium parts. Nearly 1.9 tonnes can still get shifted from the traffic lights to 62mph in 4.7 seconds – fast, but not as quick off the line as a Mercedes S65 AMG or a Panamera Turbo. At the top end, however, the Maserati beats them all with 191mph max.

WORDS: JONNY SMITH

Mondeo had been lifting in the gym

Bleary-eyed car had
been on the Jägerbombs

- Maser has been making four doors drenched in luxury for 50 years now, and the freshest offering takes big pimping to new heights. Although it's the fastest production Maserati ever made, it's one of the most composed and chilled to ride in. The seats are more deeply upholstered than ever and, because the centre console sits higher, you feel more nestled into the Italian lounge-like cabin. And it'll hold four rugby players in snug comfort.

- **Four-wheel drive will be an option on the Quattroporte – although only on left-hand-drive models. Clearly, Maserati thinks the weather in the UK is just too good to warrant such a thing!**
- The price for more lead-footed luxury than a man could wish for? A surprisingly reasonable £94,000 (but just a couple of ticks of the option boxes will easily send it over £100k). The car will start rolling out to savvy footballers from June.

This is why you should always take care when overtaking!

➔ **AMBULANCE DRIVER** Richard Johnson, 29, from Huddersfield is used to being at the scene of an accident, but he'd never experienced one like this.

He was the passenger in a soft-topped car which – in the process of overtaking another car – flipped over.

"We hit a fence and rolled over five times," explains Richard. "As the car only had a canvas roof, the fence post pierced the roof and my shoulder. My arm ached but it was only when I clambered out that I realised I had a foot-long post stuck through my chest!"

Getting out of the car was only the first part of Richard's

ordeal. "I severed the nerve in my left arm which controls my fingers and hand. They've had to graft a new nerve into my arm," he says. "My shoulder socket has also been smashed. It'll take the nerve 18 months to grow back."

We hope the next time Richard's in an ambulance, he's in the driver's seat!

Webcam woes

There's a girl on Facebook who chats and flirts with me a lot. How can I tell if she's just flirting or if she wants to take things further and involve webcams? I don't want to scare her off by being too full-on!

MAX Buckinghamshire

Girls tend not to trust webcams, as they can't be sure you're not broadcasting it through a projector to a whole room of boys. Cyber fun can only go so far. The best way to start something off on the internet is to expose yourself first. Or how about you get your arse off the computer, go outside and meet her?

intoxicated, but I'm afraid your performance almost certainly isn't as good as you think it is. Women don't like fumbly hands – they want strength and

direction. Be a leader in the bedroom. Sober sex shows you're knowingly attracted to a girl. Women love clarity and bold objectives.

Injury KOd my mojo

I recently injured my back playing rugby, so when it comes to sex, I'm currently just laying there and taking it without doing much else. What can I do to make the missus happy?

BRIAN Exeter

Tell her to approach your mouth with her clitoris. Still, if I were you, I'd take this time to receive as much attention as you can. Don't worry about her needs – most ladies love to fuss, so let her do it. Ask for endless blow-jobs and sandwiches. When you're back in action again, sex should be fierce and powerful.

Kenny says, "OK. I'll take him anyway. Just unload him over there."

A month or two later, the farmer sees Kenny in the street and, feeling curious, asks what he did with the dead donkey.

"Oh," says Kenny. "I raffled him off. I sold 500 tickets at £30 each and made over £15,000."

The farmer says, "What? Didn't anyone complain when they found out he was dead?"

Kenny replies, "Just the guy who won the raffle. So I gave him his £30 back!"

ARABELLA PRESENTS

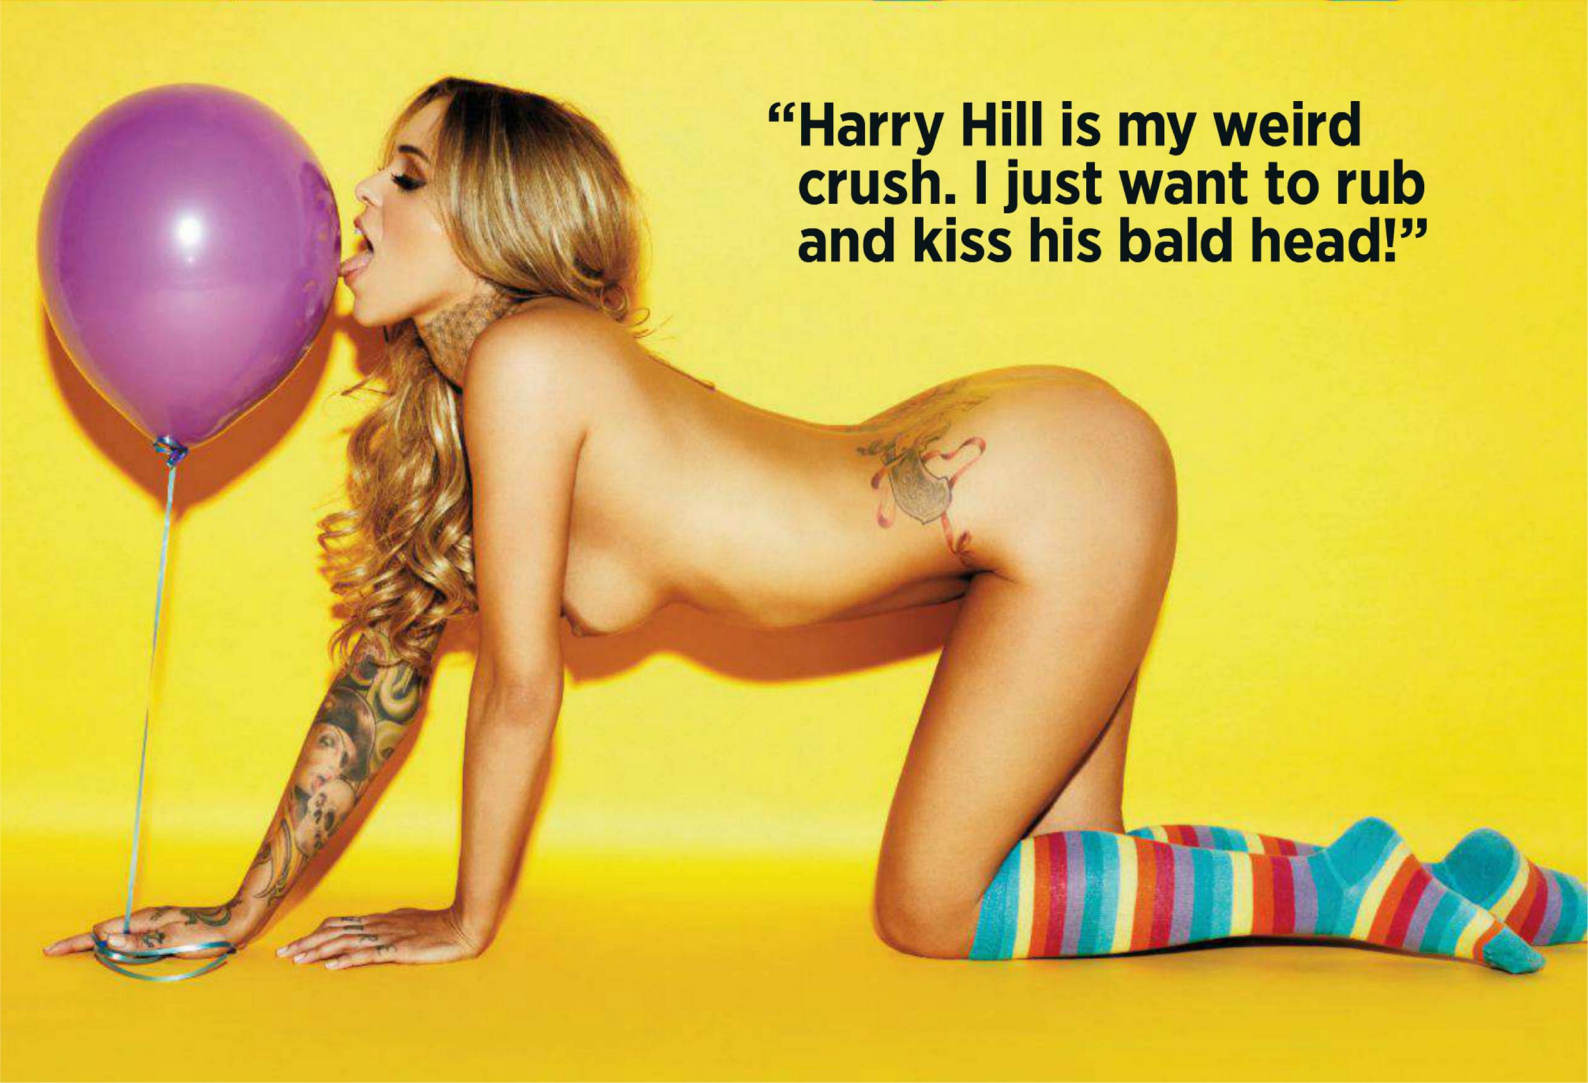

THE COMEDY SPECIAL!

It's cold and miserable outside, so join our feisty fittie for a feast of all things funny!

ARABELLA DRUMMOND

**“Harry Hill is my weird
crush. I just want to rub
and kiss his bald head!”**

Happy New Year, Arabella! Did you make any racy resolutions?

Yes – I made a pledge to *Nuts*

readers that I'm going to take more behind-the-scenes snaps on my shoots. They're even ruder and more naked than the ones you do see!

It's the comedy special! Who's your favourite funnyman?

The sillier, the better, I say. I love Harry Hill. He's my weird crush. I just want to rub and kiss his bald head!

Is it true that men can laugh a girl into bed?

It really is! It doesn't matter what a guy looks like, as long as he can make me laugh.

What's the best comedy prank you've ever pulled?

My best trick is to wait for my friend to fall asleep and then, when her mouth opens a little bit, tip a sachet of sugar in. She wakes up crunching and confused. It's hysterical!

When was the last time you cried with laughter?

On my birthday, my girlies bought me a Brazilian booty-shaker. She was gorgeous and could do incredible things with her bum. She was dancing with one leg above my head and her hands on the floor, just shaking her ass in my face. I was laughing so hard!

You're a circus performer as well as a model. What's the funniest thing you've seen while working there?

We have an act, Heavy Metal Pete, who puts a condom up his nose, then pulls it into his mouth and flosses his teeth and nose with it!

Finally, we've asked *Nuts* readers to vote for their funniest films. What's yours?

I can't choose! I love all the Will Ferrell films – *Anchorman* and *Elf* are my faves. I love him because he's daft but also really quotable. **X**

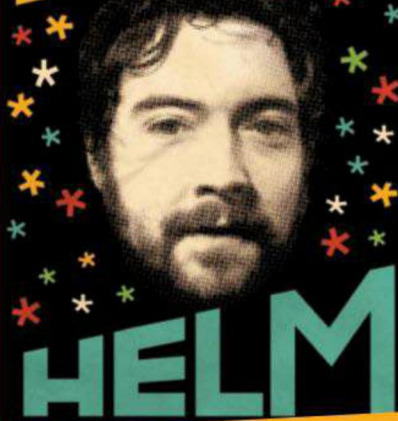

2013's **Best**

NEW

NICK

Nick does the shoutiest, most deranged kind of stand-up. Critics call him an hysterical monster!

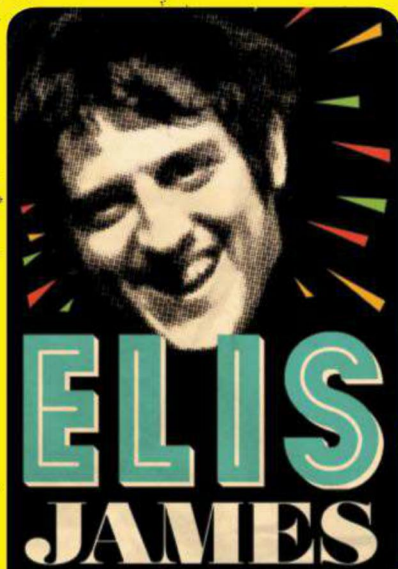

“Does anyone else think that Tim Rice and Tim Curry should get together and open an Indian takeaway?”

“I won a swimsuit contest – I ate 57 swimsuits!”

“What is it about half-men, half-horses? They’ve always gotta be centaur of attention!”

“This is happening. This is the act. Get on board! Lightning doesn’t shoot out my d*ck. It doesn’t get any better than this!”

“I needed a password eight characters long, so I picked ‘Snow White and the Seven Dwarfs.’”

Seeing Elis live is like watching your funniest mate telling his best-ever anecdotes down the pub.

“Wales haven’t qualified for the World Cup since 1958. Let me put that in perspective: 1958 – that’s prior to the invention of the duvet.”

“Welsh is a cool language. The Welsh for ‘vegetarian’ literally translates as ‘meat refuser’. Love how it focuses on the negative. Not ‘cheese-preferrer’ or ‘vegetable embracer’ – ‘meat refuser’.”

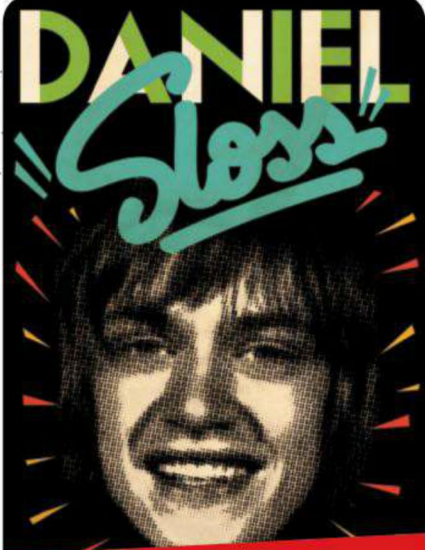

“Nothing says ‘Today is not going to plan’ like a man in a suit washing his face with the liquid soap in a pub toilet.”

“My Wikipedia page has been vandalised. I apparently speak ‘Welsh, English & Sh*t’.”

“The Welsh for cannabis is ‘mwg drwg’ – literal translation, ‘naughty smoke’. Sounds like a camp description for arson.”

MICS!

Five great new comedians
tell us five great gags!

The Scot has earned his stripes on the UK comedy circuit, and now he's on the verge of big success.

"I love it when Americans say, 'Obesity is a disease.' No, it's not! The only thing obese people have in common with disease is that they're both easy to catch."

"Statistically, I'm gay. I've only played with one penis – mine – but I loved it. I've loved 100 per cent of the penises I've played with."

"When we were still together, my ex-girlfriend told me I was her rock. We were watching *127 Hours* at the time though."

"Woman: 'You left the milk out: It's gone all hard and smelly.' Man: 'F**k you, I *meant* to do that. Gonna put it on some bread.' And that's how cheese was invented."

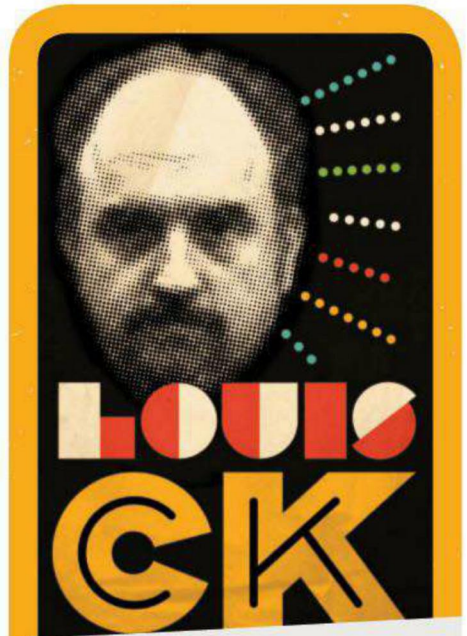

"I went to book a holiday with a friend. The assistant said, 'Queries?' I said, 'No, just good friends!'"

"Have you all seen *Mary Poppins*? That's the last time I take advice off that cow. I was at my nan's house and she was taking her insulin, and I said to her, 'Do you know what'll help that go down?' I nearly killed her!"

"Some advice: if you move your girlfriend in, get a lock on the bathroom door. I dunno if any of you have ever been in a nice relaxing bath and someone else comes in the room and starts to wee – you can't help but join in."

"You should aspire to be the man you pretend to be when trying to get laid."

"I texted my new girlfriend: 'Do you fancy getting food in the Crown?' That's our local pub. Predictive text sent that out as: 'Do you fancy getting done in the brown?' That's not second-date material, even in Newcastle!"

Louis is big in the US thanks to his non-stop touring and sitcom *Louie*, which hits the UK later this month.

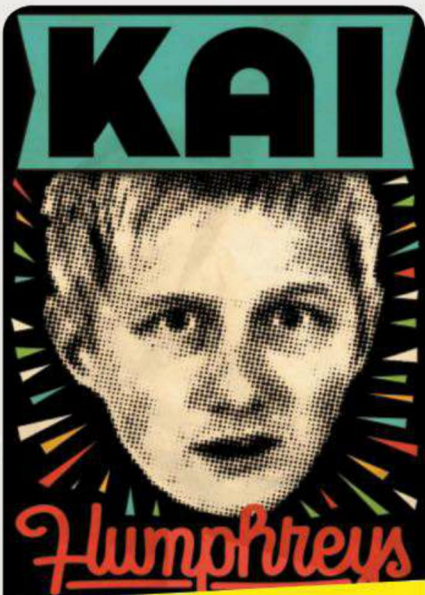

"I love to sh*t. It's my favourite thing. I don't know why they call it number two, it's easily the best one. In my book, it's number one!"

"You don't have to be smart to laugh at farts, but you have to be stupid not to!"

"I don't have a sex 'drive' – I have a sex 'just-sit-in-the-car-and-hope-someone-gets-in'!"

"The bank charged me \$15. That's how much it costs to only have \$20."

"I'd like to name my kid a whole phrase, something like 'Ladies and Gentlemen'. That'd be a cool name for a kid. 'This is my son, Ladies and Gentlemen.' When he gets out of hand I get to go, 'Ladies and Gentlemen, please!'"

Geordie chap Kai's ready to bounce on stage and bring a little upbeat optimism back to stand-up this year.

"I'm not grown-up at all, and I realised this when I found myself stood on the toilet seat, seeing how high I could poo from."

Hi Harry! Now you've finished *TV Burp*, have you put your telly in the bin? Um, not entirely. It's poking up out of the bin and occasionally beckons me in. I still watch a bit of crap TV. You know, *Cash In The Attic* and *A Place In The Sun*.

Do you still have all the copies of *Nuts* that you used to use on the show?

Yes. During the show, I'd pop a copy of *Nuts* in a briefcase and say, "I'll save that for later."

What were you saving it for?

To read on the train on the way home, of course. What are you suggesting?

Nothing! Moving on, your new tour's called *Sausage Time*. What's the best way to cook a banger?

Fried, isn't it? Old fashioned, but it works. We're just looking at the figures, seeing if we can balance the books and give free sausages out. It won't be a sausage each. We'll probably have one big sausage between everyone.

Delicious! Would you ever consider presenting a late-night edition of *TV Burp* where you review the best of that week's Babestation?

I don't know what you're talking about. There's a tape of me c*cking it up and mucking about on *You've Been Framed*, swearing at the clips, which is really funny but would probably kill off my career in a day.

You're currently writing *The X Factor* musical. Are you going to be auditioning for a part in it?

I don't think I've got the singing chops for it. But we'll be holding auditions and you're welcome to turn up. It follows the story of a girl who lives in an *X Factor* black spot and can't get ITV1. There's a story, but it gives us an opportunity to make lots of jokes about *The X Factor*.

Can you tell us anything about the upcoming Harry Hill film?

Yes, we're going to be filming in April/May and it's coming out at Christmas. We're just charming up the script and looking at who wants to be in it.

Are you going to audition for that?

Ha-ha! If I don't get that part, I'm in trouble. It's a kind of road movie so there are songs and puppets and all the usual Harry Hill stuff.

How do we know that your collars aren't really normal-sized and your head is actually really small?

You've found me out. It's an elaborate optical illusion.

How often do people compliment you on your perfectly baldy head?

If I ask for a boiled egg in a restaurant, they always draw glasses on it and it really winds me up. Whenever I book into a hotel and there's a hair dryer, I ask them to remove it, as well as the complimentary shampoo.

You're very good at shouting, "Filiigggh!" Have you ever considered applying for the job of the bloke who shouts, "Let's get ready to rumble!" before wrestling bouts?

I haven't until now. Is there a form you can download and fill out? Have you heard about chess boxing? They play a round of chess, then they box a round. I have an idea for Swingball wrestling. It's a round of Swingball, then a round of wrestling. You could have a celebrity version of it.

Are you going to audition for that?

Is that your catchphrase, "Are you going to audition for that?" You can't have that as every question!

Whoops! Have you ever been tempted to make your kitchen floor really slippery and hide a camcorder in the oven in the hope of winning the £250 prize on *You've Been Framed*?

I don't enter *You've Been Framed*. I record clips of animals and get them on *Animals Do The Funniest Things*. There's a hedgehog falling into the swing bin this weekend that's mine.

You used to be a doctor. Do you think more comedians should consider re-training as doctors? That way they could add some jokes when they're delivering bad news...

That's right. Instead of saying, "Your husband's dead," you'd say, "Give me a D!" Good idea. There's a shortage of doctors yet there are too many comedians.

Thanks for the chat, Harry! You've won three Comedy Awards and three Baftas.

Would you like a *Nuts* award to make it the magic seven? Yes, I'd like one.

I'm going to get all the awards I've won over the years, melt them down in a furnace and make one super-award. And next time I see my arch-rival, Al Murray, I can

bowl it at him and knock him over. 

● Harry Hill: *Sausage Time* tours from Feb. See harryhilllive.com. *Harry Hill's Cream Of TV Burp* is out now on DVD.

Jim Carrey and Jeff Daniels play a pair of dimwits who go on a road trip to return a suitcase of cash to its pretty owner.

MEMORABLE LINE: "One time, we successfully mated a bulldog with a shih-tzu. We called it a bullsh*t."

4 SHAUN OF THE DEAD

2004

The original zom-com follows Simon Pegg's attempts to win back his moody missus during an undead apocalypse.

MEMORABLE LINE: "Just look at the face: it's vacant, with a hint of sadness. Like a drunk who's lost a bet."

3 AMERICAN PIE

1999

Jason Biggs and pals enter a pact to lose their virginity by prom night. We haven't touched mum's home-made pie since.

MEMORABLE LINE: "I'm a sophisticated sex robot, sent back in time to change the future for one lucky lady."

2 AIRPLANE!

1980

Full of madcap moments and starring the incredible Leslie Nielsen, this disaster movie spoof is simply a must-see.

MEMORABLE LINE: "We hope you enjoy the rest of your flight. By the way, is there anyone who knows how to fly a plane?"

THE HANGOVER

2009 C BALE, H LEDGER

The Wolf Pack deliver the dark laughs in the film you voted the funniest ever. Bradley Cooper, Zach Galifianakis and Ed Helms come up against Mike Tyson and his tiger on the Vegas stag night from hell. Bad tattoos, shotgun weddings... it's all going on!

MEMORABLE LINE: Stu: "We're in a stolen cop car with what is sure to be a missing child in the back. What part of this is cool?"

Alan: "I think the cop car part's pretty cool."

BOOBY OFFICE BABES

KELLY!

STACEY!

LUCY COLLETT PRESENTS...

Topless office babes!

Going back to work has never looked so appealing!

LUCY!

GEENA!

“I was a busty wench in one job – I had to wear a corset!”

Lucy Collett

H

i Lucy! We're all back at work. What's the best way to raise spirits in January?

Hello! I think the best thing is to stay at home and get sexy. Whack the heating up, take your clothes off and get rude.

Would you be a good boss?

I'd be the best. I'd introduce sexy themes like Frisky Fridays and Thong Thursdays!

Are you excited to be getting back to work?

Yes, because 2012 was mental – I started working for *Nuts* and I became the *Nuts* online gaming geek. I'm living every bloke's dream!

Do girls ever wear stockings and suspenders under their office clothes, or is that a myth?

I'd love to say yes, but we don't. However, I usually wear hold-ups on a boozy night out.

What other jobs have you had?

I worked at Warwick Castle as a busty wench. I was working in a castle-themed bar. As I had to wear a corset, it was essential to have huge boobs!

Can you give us any tips on workplace flirting?

Maintain eye contact. A kiss at the end of an email also helps, and don't be shy of a wink.

Do you ever get mistaken for our other favourite office heroine, Christina Hendricks from *Mad Men*?

No, but everyone's always insisting I look like her. I'm flattered – she's sex on a stick!

Thanks, Lucy! Finally then, have you ever done anything rude in the workplace?

Yes! I snogged someone under the moat bridge at Warwick Castle once. It was during the Christmas party. Later, I sat on an antique chair and broke it. It belonged to Henry VIII! ►

**“No man will fire
a girl who has
big boobs!”**

Kelly Hall

Hi Kelly! Has having big boobs ever got you ahead in the workplace?

Men make you relentless cups of tea, and you never get into trouble if you have a male boss. No man's going to fire a girl with massive boobs!

Have you ever been the subject of an office prank?

Someone pulled a chair out from under me the other day. I'm covered in bruises now. As someone who takes their clothes off for a living, that's a rubbish thing to have happen.

What's the best skive you've ever pulled off?

I don't ever remember being in maths or science at school. Those lessons were spent in the chip shop – I'd sooner take on a chip butty than listen to someone go on about numbers.

Have you ever photocopied your bum or boobs?

I photocopied my boobs in the *Nuts* office and they came out great. I should sell the copies!

What should men wear in an office to get your attention?

I don't go for blokes in suits. I like rough and ready – a bit of stubble and some muscles.

Which *Nuts* babe would you most love as your boss?

Lucy Pinder. She really knows what she's doing and she'd be lovely to work for.

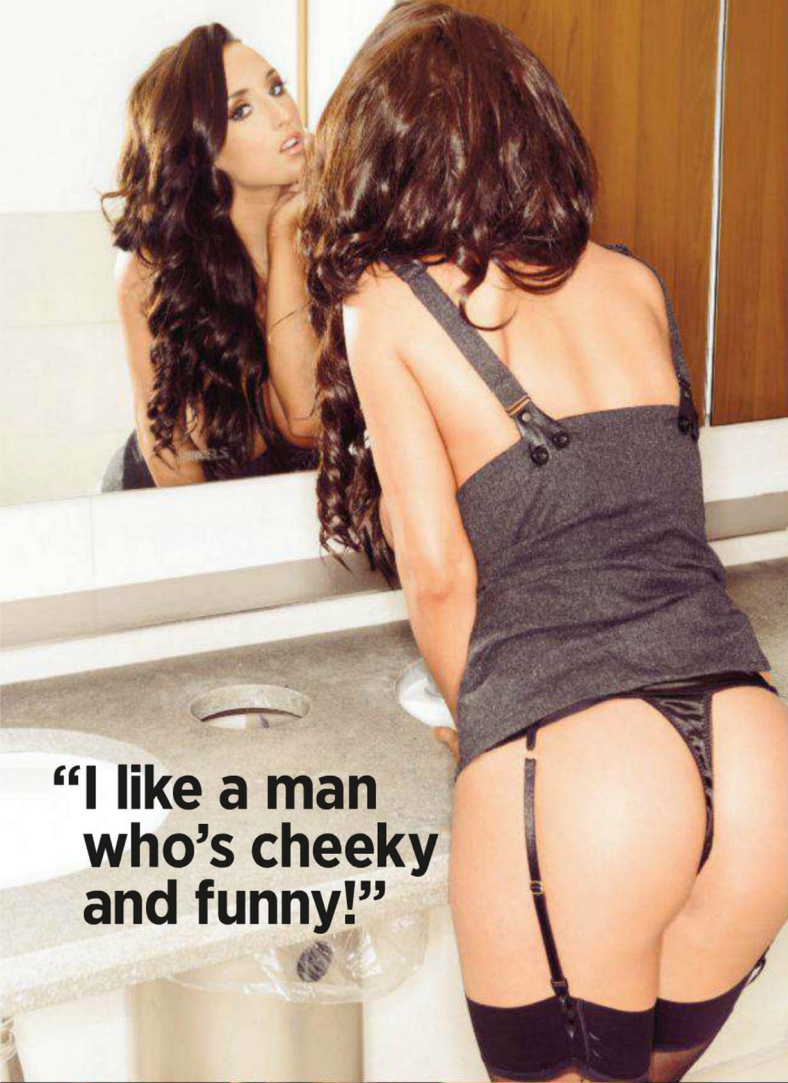

What new rules would you enforce in an office?

Shoes and underwear only – I think it's really hot for a girl to just wear lingerie and heels.

Do you have a special underwear set you wear when you have a big day ahead?

I have a special Victoria's Secret set. It's half lace and half silk. I feel good to go as soon as I put it on! ▶

Stacey Poole

Hi Stacey! How are you enjoying the sexy workplace today?

I'd love it if every workplace was like this. I'd have my hair and make-up done and my hair pulled back with glasses on.

If you went on *The Apprentice*, how would you sell yourself?

I'd say, "Hire me because I'm funny, outrageous, cute and cheeky." Oh, and there are two other reasons, of course!

You're hired! Does it help having boobs in the workplace?

They're essential! I also work in the menswear department of a shop, so they get a lot of attention. I think they regularly get me extra sales.

What advice would you give us on pulling at an office party?

I like a man who can walk up to me and start being cheeky and funny. And it helps if he has a shaved head and tattoos.

What underwear do you usually wear at work?

I always wear lacy matching underwear, usually with French knickers.

Would you ever photocopy your boobies?

Yes! I'd love to see what they'd look like all pressed together and in black and white. I think they'd look quite arty. I think they deserve to be copied.

Have you ever done anything rude in a place of work?

In the changing rooms at work I might see if I can get a sneak peek of a cute guy with his shirt off. I'll be stood outside the curtain seductively saying, "Do you need any help?"

Have you ever caught anyone "at it" in the changing rooms?

Almost! Once, after two girls had been in one, I found some, er, "evidence" that there had been mischief going on! ▶

"A working day with me is rude, naked and fun!"

Geena Mullins

H

i Geena! Do you have any New Year's resolutions?

Hello and Happy New Year! I want

to be in *Nuts* more and show off my magnificent breasts and thong-a-licious bum!

Are you a hard worker?

Yes! I'm prepared to do whatever it takes to get the job done. Just look at what I'm doing today. The office has never looked so sexy.

If you were in charge of your own shoots for the day, what would you do?

I'd give everyone the day off, then invite every *Nuts* girl for a big party back at mine. Dress code: sexy.

If you were *Nuts*' secretary for the day, what might you wear?

A pencil skirt that hugged my legs and a tight shirt with an extra button undone. I'd also wear a rather rude thong.

Are thongs essential workplace attire for you?

Yes! I prefer them to knickers. I'm always in a matching bra and thong – it's all I ever buy.

Would you ever wear a cheeky stocking set to work?

Us girls have to get up early to get ready for work. That said, if a girl liked you she might wear them. How hot would that be, catching a cheeky flash of your office crush's stockings?

Do you ever wear sexy clothes to do anything else?

Yes! If I'm cleaning the house and my man's coming around I might change into stockings to give him a surprise.

Crikey! What's a typical working day like with you?

Very rude! It's very naked, fun and a chance to look at lots of cheeky bums!

8 OUT OF 10 CATS DOES DEAL OR NO DEAL

"Sean and Jon are such dire bast... They're behind me, aren't they?"

Friday 4 January

"I hope you all like burger sauce!"

Come Dine With Me Comedy Mash Up

CHANNEL 4/HD • 7.55pm

A comedy special that sees Stan Boardman, Pete Firman, Olivia Lee and Angelos Epithemiou rustling up vaguely edible stuff. But can they out-gag voiceover bloke Dave Lamb?

★★★

"We've been saying 'cheese' for hours, just take the bleeding photo"

Room 101

BBC ONE/HD • 8.30pm

We loved it when the old Paul Merton show was revived with Frank Skinner hosting, and several celebs – instead of just one – consigning pet peeves to the dreaded room. The new series begins with Miranda Hart, Reggie Yates and John Craven airing grievances including stuffed marrows and the hip-hop handshake. Good fun.

★★★★

"Honestly, these guys, again?"

8 Out Of 10 Cats Does Deal Or No Deal

CHANNEL 4/HD • 9.35pm

Jimmy Carr, Sean Lock and Jon Richardson take over the game show to see if they can get the better of the Banker. We're backing them, even if it's completely down to chance.

★★★★

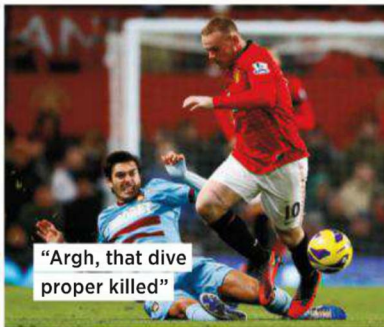

SCREEN SCREAM THE FLY
CHANNEL 4/HD • 1.35am

Really old but awesome sci-fi horror about a bloke who accidentally mixes his genetics with a fly. Truly gross and truly brilliant, especially as he slowly turns into the fly.

Saturday 5 January

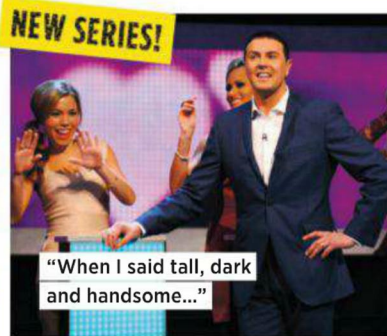

West Ham vs Man United

ITV1/HD • 4.30pm

It's round three of the FA Cup and it's fair to say that this is one of the biggest ties of the round, with West Ham, recent conquerors of Chelsea in the league, facing the stiffest task of all. Much depends on how seriously Sir Alex is taking it this year.

★★★★★

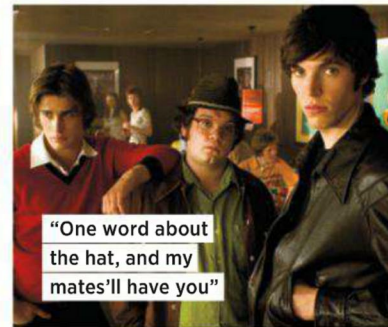

Take Me Out

ITV1/HD • 8.45pm

This sassy dating show has become something of a pre-pub staple for our Saturday nights, with Paddy's "Let the onion see the bhaji" catchphrases getting better by the week. We often ponder what our girl-impressing "skill" would be if we went on this show. Actually, we can gobble a taco in just under 30 seconds. Girls? Anyone?

★★★

Cemetery Junction

BBC TWO/HD • 9.45pm

Ricky Gervais and Stephen Merchant direct this touching drama set in the '70s, but don't expect to see David Brent, Darren Lamb and Barry off *EastEnders*. This is a moving tale about a young bloke trying to escape the suburbs and make something of himself.

★★★

THE DAY AFTER TOMORROW

CHANNEL 4/HD • 7.40pm

When Dennis Quaid is doing a speech, check out the map: the whole of Southeast Asia is missing and Arabia merges with Africa. D'oh!

Sunday 6 January

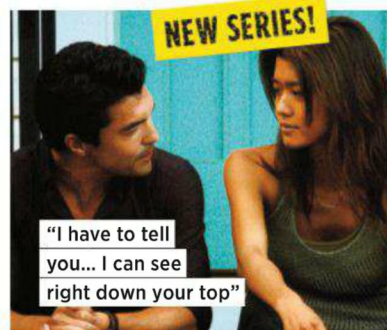

Swansea vs Arsenal

ESPN/HD • 1.30pm

After Bradford knocked Arsenal out of the Capital One Cup, the FA Cup is now the Gunners' best chance of ending their trophy drought. But, this third-round tie comes away at a team who've already beaten them in the league this season. Could be tricky.

★★★★★

Hawaii Five-0

SKY1/HD • 9pm

If you had to fight crime somewhere, we think doing it on the beaches of Hawaii would be pretty darn nice – lucky for some! Last season ended on a cliffhanger: Chin had to choose between saving his cousin or his wife, McGarrett discovered his mum was alive and well, and big, bad Wo Fat had escaped the clink.

★★★★

The Magaluf Weekender

ITV2 • 9pm

This new reality documentary follows groups of 18-24-year-olds off to Magaluf (or Shagamoose as it's been known) for a long weekend. It's about the reps that take care of them as well as the party animals. You know this is going to be brilliant!

★★★★

GOT TO DANCE

SKY1/HD • 6pm

It's like *The X Factor* for dancers, so expect to see some waving their arms in the air like chickens, others moonwalking, and the rest whipping out the obligatory dad moves.

Monday 7 January

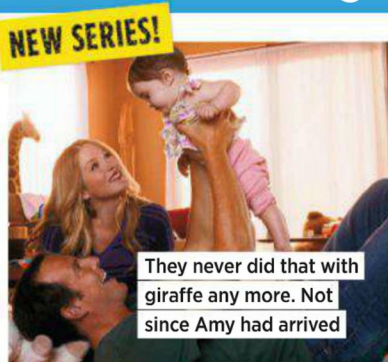

The Countryfile lot were trying to sharpen up their look

The All New Gadget Show

CHANNEL 5/HD • 8pm

We bloomin' love our gadgets at *Nuts*, so we're chuffed this show is back for the rest of its series. You'll recall the painfully pretty Pollyanna Woodward was in last week's mag picking out her 2013 gadget trends. Well, here she is again, chaps.

★★★★

They never did that with giraffe any more. Not since Amy had arrived

Up All Night

ITV2/HD • 9.30pm

Will "Blades Of Glory" Arnett and the lovely Christina "Anchorman" Applegate star in this new sitcom about a couple becoming parents. It might sound all warm and fuzzy, but it's proper funny. Arnett plays the stay-at-home dad who hasn't got a clue what he's doing. To be fair, we wouldn't have the foggiest either.

★★★

Squeak... Squeak

Underworld: Awakening

SKY MOVIES PREMIERE/HD • 10.15pm

Underworld is like the *Twilight* it's OK not to hate. It's all about vampires and werewolves but it doesn't feature drippy teenage leads. The fourth instalment sees Kate Beckinsale return as the hottest vampire ever.

★★★★

BRAND NEW BABE!

BEN AND KATE

ITV2/HD • 9pm

This new lady-pleasing comedy stars the decidedly attractive Dakota Johnson, daughter of TV legend Don "Miami Vice" Johnson. We wholeheartedly approve!

Tuesday 8 January

● New issue of *Nuts* on sale today!

"He's singing *Reach For The Stars* again. Just leave him to it"

Bradford vs Aston Villa

SKY SPORTS 1/HD • 7.30pm

It's the Capital One Cup semi-final first-leg tie between League Two side Bradford and Premier League side Villa. Ordinarily, we'd expect a cricket score for the top-flight side, but then we thought the same about the hosts' quarter-final opponents, Arsenal...

★★★★★

"I wanted to go travelling and study medicine"

Pramface

BBC THREE • 10pm

The second series of the BBC Three comedy drama following teen parents Jamie and Laura picks up where the last one left off. The inexperienced youths don't have a clue what they're doing and it turns out, neither do their parents, especially when they prepare for the christening. A great advert for contraception.

★★★

"Does this dog collar make my face look blurry?"

American Horror Story: Asylum

FX/HD • 10pm

Freaky and gory as you like, this bonkers horror drama set in an insane asylum is creepy as hell, and is taking its toll on our sanity. Dr Arden's experiments on people reach a grim conclusion and things aren't going so well for Sister Jude either.

★★★★

TABOO

NATIONAL GEOGRAPHIC • 10pm

Body mods don't get more extreme than 7,000 piercings and horn implants.

Wednesday 9 January

Chelsea vs Swansea

SKY SPORTS 1/HD • 7pm

With a gaffer as ruthless as Roman Abramovich, Chelsea boss Rafa Benitez could do to land a trophy this season. He may not get a better chance than in the Capital One Cup. His men host Michael Laudrup's side in the first-leg of the semi-final here.

★★★★★

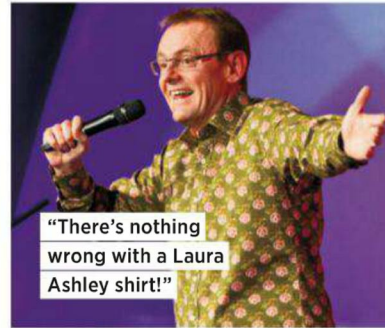

Africa

BBC ONE/HD • 9pm

Trust David Attenborough to find one of the most hard-as-nails critters around. This week he's in Tanzania in East Africa, where among other incredible things (like the shoebill, above, a mad-looking 4ft-tall bird), he finds a tiny lizard that risks its life to eat delicious flies from a lion's face! Brilliant stuff.

★★★★★

Sean Lock: Lockipedia Live

COMEDY CENTRAL • 10.30pm

If you were to ask us who our favourite stand-up comedian is, we'd probably plump for Sean Lock. This hilarious sell-out show comes from his 2010 tour of the British Isles so the references are slightly dated, but the gags shine through.

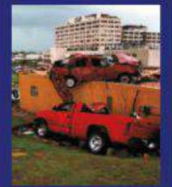

★★★★★

KILLER TORNADO USA: CAUGHT ON CAMERA

NAT GEO WILD • 8pm

We're a bit obsessed with tornadoes. The footage of this mind-blowing yet devastating tornado that tore through Joplin, Missouri, in 2011 is as mesmerising as it is scary.

Thursday 10 January

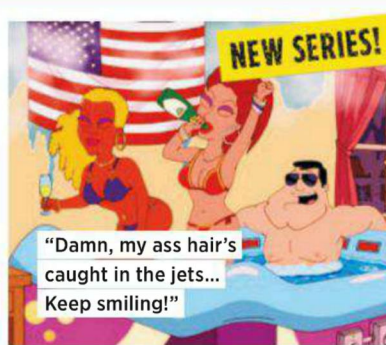

The New Normal

E4/HD • 9pm

This brand new comedy is both deeply gay and deeply offensive, yet very, very funny. Gay couple Bryan and David (Justin Bartha from *The Hangover*) are convinced they must have a baby. So, they hire a surrogate, a nice girl from the Midwest. The bigoted, gun-wielding granny steals the show.

★★★

American Dad!

FX/HD • 9.30pm

There's more than a touch of *The Simpsons' Halloween Treehouse Of Horror* (back when *The Simpsons* was still consistently hilarious) to this new episode. Stan decides his day-to-day life is too stressful so he invests in a hot tub. However, it soon turns out that his new luxury item has a mind of its own, and it's rather on the evil side.

★★★★

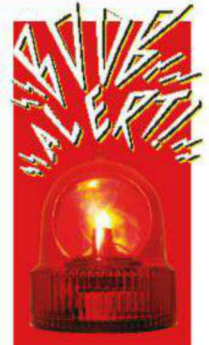

Fake Reaction

ITV2/HD • 10pm

Radio 1 DJ Matt Edmondson hosts, as two teams of three celebs take part in challenges such as sitting on a block of ice and having snakes put in their pants. The twist? Only one of the three competing is actually enduring the real deal – the others just appear to be. The idea is to dupe the opposition team. Sound like fun? That's 'cos it is!

★★★

BLUE VALENTINE

CONFESSION OF THE WEEK!

'Caught playing strip Twister'

I INVITED some girlfriends over to drink cocktails. After a few, we decided to play strip Twister and soon we were in our underwear getting frisky. Things were pretty steamy when I realised my male flatmate had come home and was standing there open-mouthed. We could see that he was really aroused so we asked if he wanted to watch. He nodded and sat on the sofa. For the next half an hour, he watched us all get naked, boobs, arms and bums all over the place! I imagine he had a few naughty dreams that night!

Sara South London

'He loved my saucy outfit'

MY MAN had been really looking forward to his friend's New Year's Eve

party last year. Sadly, I dragged him to a family do instead, so I decided to make it up to him in a saucy way. One afternoon while my man was at the pub, I arranged a filthy treat for him on his return. He came

home to find me kitted out as a naughty college girl – pigtails, short skirt and all. I knew my sexy cleavage and toned legs were working because he was instantly hard. I took his throbbing member in my mouth, licking and sucking the whole length until he couldn't take any more. He bent me over and took me roughly from behind. He was really into it, telling me I was a bad girl as he gave me a spanking. It was the horniest night of my life!

Nicola Leicester

'Boat ride turned rude'

ME AND my boyfriend went on a last-minute winter holiday to Gran Canaria. As soon as we got there, we raced to the beach. I noticed my boyfriend getting hot looking at all the semi-naked girls. He started rubbing sun cream on me while having a sly squeeze of my boob. We both realised how horny we were and decided to go for a pedalo ride. When we were far enough out, I pushed my bikini bottoms down and my boyfriend slid his hand across and began touching me. I rubbed my bare breasts while his hand worked fast and hard. As he slid his fingers inside, I was ready to explode – after 30 seconds or so, I let out a huge moan. A holiday to remember!

Helen South London

'We took sexy snaps'

I HAD a great 2011 New Year's Eve with my new fella. We'd been drinking and dancing until the early hours and were desperate to get back to his for some hot sex. At the station, we noticed a photo booth and thought it might be fun to take some saucy photos. We put in our money and loosened our clothes, ready for the machine to shoot. He pushed the seat up high and ripped off my knickers. Getting his head down, he spread my legs so he could get his tongue deep inside. The camera flashed and, before I knew it, he had his hard erection out and was pushing it into me. The booth was rocking back and forth, while the camera kept clicking. We got some very raunchy pics for our collection. Maybe we'll get more in the new year!

10 RUDE QUESTIONS!

And a real girl to answer them!

Darelle

19 Hertfordshire

1 Where's the strangest place you've had sex?

"In a Bentley! Me and a boyfriend hired one for a weekend. We quickly got way too excited and went a bit crazy in it!"

2 What's your trademark move in the bedroom?

"The strip Jim Carrey does in *Bruce Almighty*. He magics his clothes off really fast – it looks even better when a girl does it! I do this all the time and it always goes down well."

3 What turns you on?

"Kissing the back of my neck and whispering in my ear. So hot!"

4 What's your favourite position?

"A love lock. It's where your bodies are locked tightly together – it's sexy and intimate!"

5 Is it better to give or receive?

"Giving is much more of a turn-on."

6 What one thing would you really like to try but haven't yet?

"Maybe more dressing up. Sexier outfits, suspenders

and super-high heels. I need to get a sexy maid's outfit and clean the house in it!"

7 Ever got it on with another girl?

"I've had a cheeky snog and a lap dance on a night out before. I was out with a friend and we got a bit carried away – we also pulled the lads in for a four-way kiss!"

8 What's your favourite role-playing costume of choice?

"I love Poison Ivy from *Batman* – I'm a bit of a superhero geek! It's a killer all-in-one, which is sexy and revealing but also loads of fun and really cool at the same time."

9 Have you ever made a sex tape?

"No, I haven't, but I have watched a friend's before. I didn't especially enjoy it, but I was curious to see what they had and how good they were!"

10 What's the rudest thing you've done?

"I went naked on a nudist beach in Greece. It was so scary but very funny. I enjoyed feeling free but just couldn't stop the giggles!"

"I went naked on a beach in Greece!"

FA Cup banana skins rated!

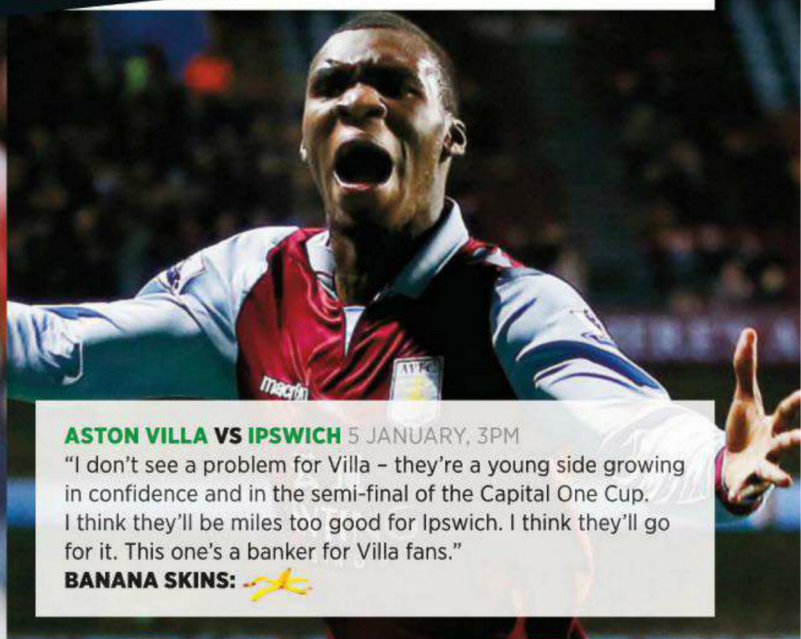

Arsenal legend Paul Merson on the third round's potential shocks!

➔ **IT'S THE FA Cup** third round this weekend which means some of the big boys face dust-ups with smaller sides and acts of giant-killing are in the offing! We rounded up the tastiest ties and asked 1993 FA Cup winner Paul Merson to rate them for potential shock value...

BRIGHTON VS NEWCASTLE 5 JANUARY, ITV1/HD, NOON
 "This is the main contender for me. A potentially big shock. Newcastle are losing a lot of matches, Brighton are at home, and Seagulls striker Craig Mackail-Smith has great pace. The Toon are lucky they don't have to catch the coach down!"
BANANA SKINS: ★★★★★★

ASTON VILLA VS IPSWICH 5 JANUARY, 3PM
 "I don't see a problem for Villa – they're a young side growing in confidence and in the semi-final of the Capital One Cup. I think they'll be miles too good for Ipswich. I think they'll go for it. This one's a banker for Villa fans."
BANANA SKINS: ★

BOLTON VS SUNDERLAND 5 JANUARY, 3PM
 "There's potential for a shock here. Sunderland are turning the corner in terms of performance without necessarily getting results. I just don't see it being a packed house at the Reebok, so I think Sunderland will get a draw at worst."
BANANA SKINS: ★★★★★

CRAWLEY TOWN VS READING 5 JANUARY, 3PM
 "Very interesting. Reading have other fish to fry – winning instils confidence but Brian McDermott might see this as a chance to rest some players. I wouldn't be shocked if Crawley won this – it's a proper FA Cup tie and Crawley love those."
BANANA SKINS: ★★★★★

CRYSTAL PALACE VS STOKE 5 JANUARY, 3PM

"This is a tasty one as Stoke will give anyone a match, while Crystal Palace are at home, have a lot of pace and a danger man in Wilfried Zaha. But again, do they need the Cup run? Do they need the money? Stoke will want the run more."

BANANA SKINS: 🍌

LUTON VS WOLVES 5 JANUARY, 3PM

"Wolves won't fancy going to Luton and trying to play. It's a tiny ground with fans right on top of you, and Wolves aren't playing great at all. Luton are doing well in a difficult league – they could be the minnows who make it to the fourth round."

BANANA SKINS: 🍌🍌🍌🍌

MAN CITY VS WATFORD 5 JANUARY, 3PM

"No chance. It'll be a cricket score. Watford have been outstanding in the Championship, but City won't take their foot off the gas. They'll want the double and they won't want an extra game. The cream will rise to the top here."

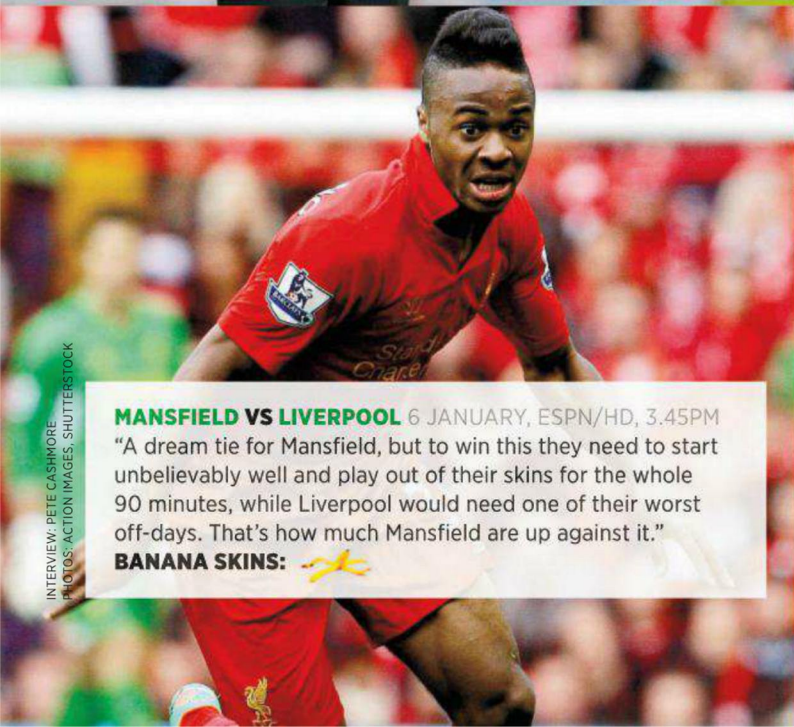

BANANA SKINS: 🍌

PETERBOROUGH VS NORWICH 5 JANUARY, 3PM

"Peterborough are a weird team. They'll get thrashed at home then go to somewhere like Cardiff and win against the odds. But Norwich are playing well. They're full of confidence and in a position where they can have a real go for the Cup."

BANANA SKINS: 🍌

MANSFIELD VS LIVERPOOL 6 JANUARY, ESPN/HD, 3.45PM

"A dream tie for Mansfield, but to win this they need to start unbelievably well and play out of their skins for the whole 90 minutes, while Liverpool would need one of their worst off-days. That's how much Mansfield are up against it."

BANANA SKINS: 🍌

CHELTHENHAM VS EVERTON 7 JANUARY, EPSN/HD, 7PM

"There aren't too many lower-league pitches better than Cheltenham's – it's like playing at the Emirates! I think Everton can win the Cup, but Mark Yates is a great manager. If they play on the counter-attack, there could be a shock."

BANANA SKINS: 🍌🍌🍌

Zlatan: 'You should see the goals I score in training!'

Ibrahimovic on great strikes, Balotelli and being a black belt!

Hi Zlatan! You'll be remembered for that goal you

scored against England last year, which Chris Kamara rated as his Goal of the Year. Is it really true that you've scored better ones?

Oh yeah, I've scored far better goals in training. Ask any of my team-mates or my former team-mates and they'll tell you that goals like that are pretty normal for me. If you were to watch me for one or two weeks in training, you'd probably see at least one better goal.

Blimey! You also claim that if you were still at Barcelona, you'd score more than Messi.

Ah, I was just making the point that Barcelona get so many penalties. When you talk about how many goals somebody has scored, you shouldn't include penalties. Anyone can score a penalty!

"Do you mind?
I'm doing the
hokey-cokey!"

You nearly quit soccer as a teenager, didn't you?

Yeah, at 15 years old, I was working on the docks in Malmo in Sweden and I nearly quit the game. It was the first time I'd ever had money and I liked it. My coach convinced me that to carry on playing was the right decision. I'm so glad that he spoke into my life.

What was life like for you growing up?

We were very poor. I lived with my father when my parents divorced and he spent all his money on booze, so there was never any food in the refrigerator. It got to the point where I didn't even bother to look. Now I make sure our family refrigerator is always full – I insist on it.

You're a black belt in taekwondo – does that mean your team-mates don't mess with you?

Actually, it's the opposite – taekwondo helps with self-control. When I was younger, I didn't do well with my temper but I'm better now. I'm asked to judge tournaments around the world, but I don't have time. When I retire, this is something I'd love to do.

You've been involved in some controversial incidents in the past – including feuds with Rafael van der Vaart and refusing to play for Sweden. Are you a changed man now?

A good lady, like the one I have, and kids will change most men for the better and make them a calmer person. I only really get annoyed when

I think somebody doesn't care about something as much as I do. You can take the boy out the ghetto but you can never take the ghetto out of the boy.

Your former Inter Milan team-mate Mario Balotelli gets a lot of headlines. Can you see why?

Of course! There's never a dull moment when Mario is around. He's my friend and I like to be around him because he makes me laugh. Of course, he probably regrets some of the things he does, but that's Mario. I know he wants us to play together again – and I told him I'd love that but it would have to be in Paris because I'm here for a long-term project. Mario is the quality of player we're looking to sign, so why not? Nothing is impossible.

ZLAT THE FANTASTIC!

Zlatan's teams have won their league in eight of the last nine seasons (though Juve had two titles revoked).

"Quote me on that!"

This week's biggest match debaters!

"You have to leave your legs on the pitch"

QPR defender Armand Traore has trouble getting around after a match.

"A Premier League chairman said an orchid had been named after me. He said it wasn't great in a bed but fantastic up against a wall"

Karren Brady reveals some flowery abuse.

"I call myself a 100 per center, I give 110 per cent"

So call yourself a 110 per center, Bradley Johnson.

"It's our turn to dance with the ugliest – and that's Chelsea"

Monterrey coach Victor Manuel.

"It was never a corner that led to the goal, but there are no excuses left"

Charlie Nicholas finds an excuse anyway.

"Zola was one of the top three foreigners to play here, so he's a one-off"

Or a three-off, Paul Merson.

OO-ER SOUNDS A BIT RUDE CORNER!

"Jimmy Anderson swings both ways"

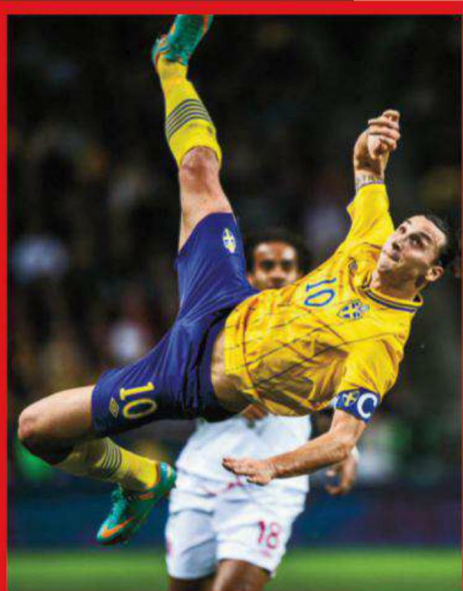

Cricket's Nasser Hussain starts the rumours.

"Just to sniff it and taste it won't do you any harm"

Jamie Redknapp won't go the whole way.

"Every time I come on the pitch, I enjoy it"

We bet the groundsman isn't so keen, Didier Drogba.

"Arsenal wanted to offer me a trial. I don't do trials!"

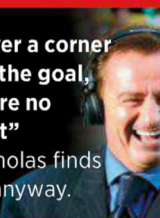

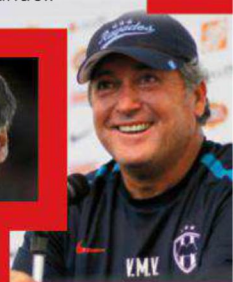

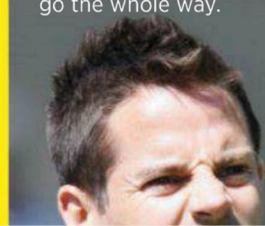

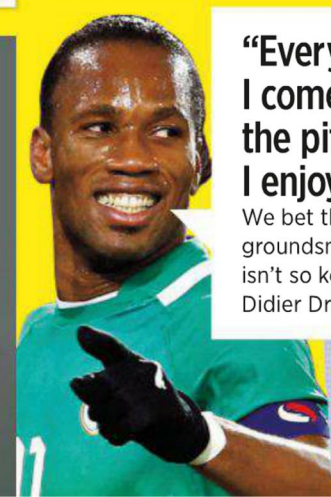

Zlatan

What can PSG achieve?

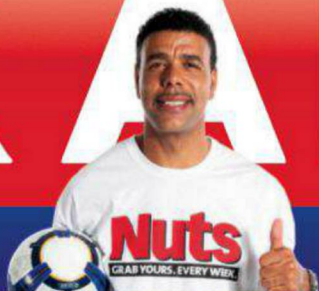

We have some amazing players and there's no reason why we can't win the Champions League. We can beat anybody when we're at our best. Even if it's not this season, I know we'll win it in the next few years.

Have you ever been tempted to prove yourself in the Premier League?

Oh, I think I proved my point to England in November! I know that, no matter where I play, I'll score goals because of the ability I have. Arsenal could have happened but they wanted to offer me a trial. I don't do trials! You either want me or you don't. I have nothing to prove to anybody.

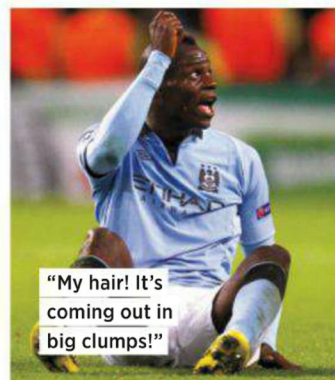

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Hey, who nicked my Xbox 360 controller?"

"My hair! It's coming out in big clumps!"

'Arry can still save QPR!

Rangers are improving under Redknapp!

➔ **HARRY REDKNAPP** still has time to save QPR. I know people will say they've played a lot of the teams around them at home and have the big boys to come and visit them, but Harry has managed to get a huge improvement out of them already.

I was at the Fulham game a couple of weeks ago

– their first victory of the season – and Adel Taarabt looked head and shoulders above everyone else on the pitch. When he got the ball, there was an expectation he'd do something special.

The rest of the side looked solid, with an industrious midfield that was difficult to get past and a sturdy backline. Ryan Nelsen looks like he has

a yard of pace back and looks like a leader, while Rob Green, who has come back after being dropped for Julio Cesar, is regaining his confidence. They still have Bobby Zamora to come back in the New Year, and obviously Harry will do some wheeling and dealing.

I still have every confidence that they'll claw their way to safety.

What's Balo playing at?

EVERYBODY KNOWS Mario Balotelli is a law unto himself and he doesn't let anyone tell him what's what. If you were to tell him something's white, he'd most likely claim it's black. But him nearly taking Man City to a tribunal over a fine shows that he has little in the way of loyalty either.

Roberto Mancini has made him a very rich young man, but you'd expect a certain amount of loyalty. He should be careful that he doesn't make himself untouchable – he might end up playing in China, where they can pay silly money, but the teams that will be challenging for major European trophies will steer clear because he's just not worth the aggravation.

Eventually he saw sense and took the fine. Did he really have to mess everyone else in the process?

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

WINNER WALCOTT!
It's refreshing to see Theo Walcott being given a chance to play as a striker. Arsene Wenger hasn't buried his head completely in the sand and is reaping the rewards!

UNBELIEVABLY BAD!

FELLAINI FAIL!
Marouane Fellaini was fortunate to get away with only a three-game ban after head-butting and elbowing Ryan Shawcross. It's tarnished his season.

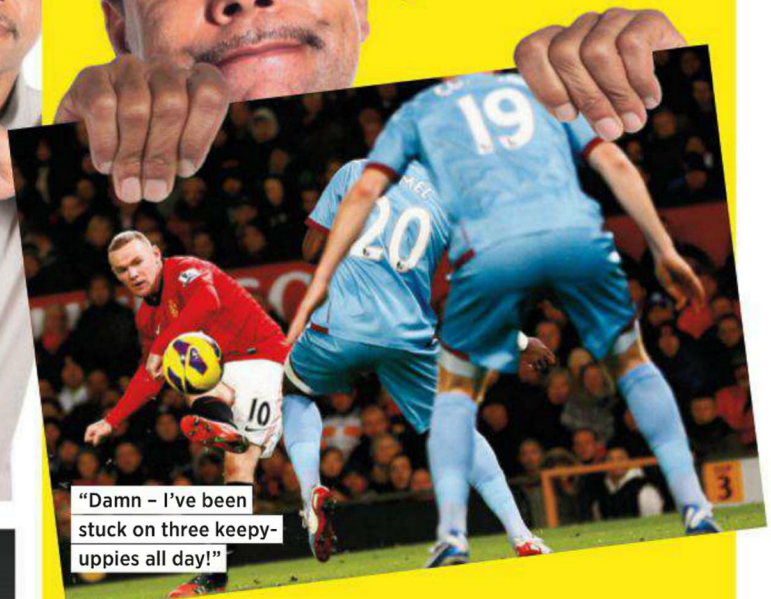

The way the game's run needs to change in 2013!

I HOPE and pray that Fifa and Uefa move away from their current dictator-style leadership and install a balanced board, so that football isn't basically ruled by Michel Platini and that prat Blatter. And then we can do all the things that they should have done, like bring in goal-line technology and sort out the farce that is the Fifa ranking system, which seems to be made up as they go along. Football needs to be run by a balanced panel of representatives from successful footballing nations – Spain, Italy, Germany, England – and make decisions collectively. I'd hoped Platini would bring in some common-sense footballing decisions, but he hasn't.

THE BIG MATCH!

West Ham vs Man United

5 JAN, 5.15pm • ITV1/HD

We all know that Big Sam's priority is keeping his newly promoted team up, so he won't be too concerned with the Cup. Sir Alex, on the other hand, has no Champions League distractions in January and will go into this game with a strong side.

KAMMY'S PREDICTION: 0-2

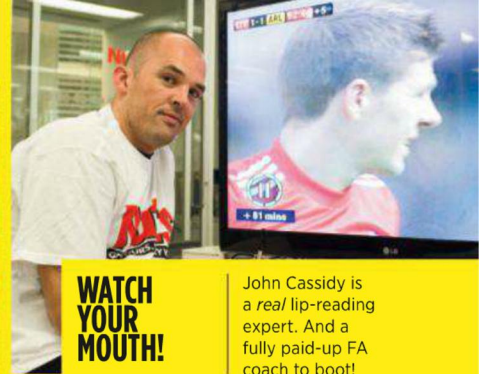

Key men

Paul Scholes and Ryan Giggs have taken a back seat recently. I think they'll take this as a chance to give Sir Alex a nudge.
